Dear Friends:

I am pleased to extend my warmest greetings to everyone attending the 4th IEEE Conference on Control Technology and Applications (CCTA 2020).

This event brings together academics, students and industry professionals to share their knowledge and discuss the latest developments in the field. I am certain that delegates will benefit from the sessions and lectures planned for this conference, and will appreciate this opportunity to network with their peers.

I would like to thank the organizers of the CCTA 2020 for putting together a varied and informative program for everyone in attendance.

Please accept my best wishes for an enjoyable and productive meeting in Montreal.

Sincerely,
